List of Bible readings 2016

The International Bible Reading Association has been serving the world church since 1882 with the vision of providing the necessary means for the worldwide Christian church to help Christians read the Bible regularly. IBRA readers make a commitment to reading each day the appointed Bible passage and to pray for each other. The Bible should be read carefully and with prayer that the Holy Spirit will help the reader to understand.

IBRA produces Bible reading cards in English and makes electronic versions available in Spanish and French. The list may also be downloaded from our website at:

www.ibraglobal.org

The IBRA publication *Fresh From the Word* offers commentary on these daily Bible readings and is available from the address below.
